**Year Group Co-ordinator  
Information Pack  
May 2021**

Thank you for your interest in working for CORE Education Trust. I co-founded the Trust in 2015 and remain very much “hands-on” in my approach to leading the Trust. However, I am very clear that it is not my job to run our schools. We employ dynamic Headteachers and senior leaders and we give them a clear mandate to lead on delivering a CORE education in the local context of each of our schools. These schools are at the heart of the communities they serve. As a sponsor, we are committed to understanding the local contexts and we provide solutions, resources and innovation on that basis.

Our CORE Values inspire everything we do. This is supported by our new long-term vision which is defined through a relentless emphasis on optimism, ambition and oneness. This builds on our strong team ethos and a culture of purpose and belonging. We thrive on diversity and work hard to create school environments that are open, outward facing, creative and dynamic.

You can read much more about our ethos, culture and history through the many archive news stories on the internet. We have had an eventful journey to this point! What I hope you will recognise about that history is that we are a resilient and courageous MAT. We dare to step into situations that are challenging, and we seek bold solutions because that is what we believe our children deserve. Each school we take on has its own distinctive identity and therefore its own distinctive rewards and challenges.

A quick look at our social media profiles will enable you to get a sense of those different contexts. As well as finding out as much as you can about the school at which the role you are applying for is based, I would also encourage you to fully understand the nuanced details of the Trust’s wider work through projects such as Echo Eternal before submitting an application.

We would also ask that you consider how our values chime with your own sense of how schools should be run and how children are best served through our education system. We want all our staff to consider themselves as learners and leaders, regardless of their job role.

CORE Education has become a happy home for many staff who have worked in other environments and perhaps found it difficult to fit in. We embrace individuality of thought and celebrate that we are an employer who cares passionately about its employees, people with an incredibly diverse range of backgrounds and experiences. I have worked at every level from Teaching Assistant to Headteacher and just about every job in between. I have also worked or had experience in almost every sector of education.

I am therefore proud to now be able to lead a Trust in a way that allows me to draw on my direct experiences and go about my day to day business with a strong feeling of empathy for every one of our staff. I wish you every success with your application and hope I am in a position to personally congratulate you and say “welcome home” if you’re successful.
